

Chapter 1

Introduction

Let me start by saying hello. Here, I'll cite a webpage (Eure, 2009). Here's a citation with loads of authors (Chang, Dean, Ghemawat, Hsieh, Wallach, Burrows, Chandra, Fikes, and Gruber, 2008). We'll cite again to see the et al subtraction (Chang et al., 2008). That'll also be a print article. Then on to my conclusion.
